Information for Crime Victims about Disciplinary Hearings

The following information appears in the Campus Security Report released by the college annually and accessible on the school’s website:

All proceedings of Williamson College are intended to be non-adversarial and confidential. Proceedings are not considered analogous to civil proceedings. The College's disciplinary process is based on the concepts of justice and fairness. Proceedings begin when a student, staff member, faculty member or member of the community witnesses or reports questionable behavior or any incident that appears to violate the expected behaviors of a student or employee of Williamson College. The accuser and the accused are entitled to have others present during any disciplinary proceeding; potential witnesses and evidence surrounding a violation may also be included. The accuser and accused shall be informed of the outcome of the hearing. The school will make every effort to resolve a complaint and provide a resolution to those involved in a reasonable time frame, most commonly within the same term (180 days) the questionable behavior or incident occurred. Extensions may arise when required and included parties will be notified.

Additional information related to sanctions and disciplinary procedures may be found in the Campus Security Report.
