6. The method(s) used by WC to determine which students receive Emergency Financial Aid Grants and how much they would receive under Section 2003(a)(1) of the ARP are outlined below:

WC will distribute the funds to students who are considered enrolled as of December 1, 2021, that are Title IV aid-eligible with an expected family contribution (EFC) of \$5,900 or less for the 2021-2022 award year, i.e., to those students with the greatest identified need. Grants are prioritized to students who demonstrate the most need. Need is determined by Expected Family Contribution, as calculated by the FAFSA Federal Needs Analysis. This approach provides aid to approximately 0% of WC's students.
7. Potentially eligible students were notified via mail.
