Students registering for graduate level classes at Williamson College should be prepared, prior to enrollment, to meet the financial requirements of the institution. Financial aid through federal programs is not available. **All students will be required to meet with the Business Office prior to meeting with the Registrar to sign a Financial Obligation form.** A payment plan must be established for students who are unable to pay in full the portion of the tuition for which they are responsible. See options below under "Payment Plans".

Students will not be allowed to remain in class if payments become delinquent or until his or her account is paid in full. Additionally, students who have a past due balance will be removed from the Populi Learning System.

The College will also withhold a degree and the issuance of a transcript until any remaining balance has been settled to the satisfaction of the Business Office.

Graduate students register for classes as part of a specific cohort. If a student cannot attend a scheduled class, they may substitute the course for the same course in the following cohort. The student must have approval through the registrar and must pay a \$150 change fee. Changes must be made prior to start of first class. Students will be charged the current tuition and travel rates for any rescheduled classes. Students should contact Financial Aid before making changes, as any changes can affect financial aid status!

Students may elect to pay their balance in the following ways and must work with the Business Office to establish payment procedures:

- 1. The full amount at registration** – Students elect to pay their account balance at the start of each term. Students who elect to pay in full can do so using cash, check, credit, or debit card.
- 2. Graduate Loans** are available. Contact Financial Aid to apply.
- 3. By automatic monthly payment** – Monthly payments may be made using a credit or debit card. **No cash or check payments will be accepted when electing a monthly payment plan.** Students who establish a monthly payment plan will be automatically charged on either the 1st or 15th of each month, with the first payment charged before the first class and continuing each month throughout the course of the degree until the full balance is satisfied.
