

ASSOCIATE'S DEGREE LEADERSHIP

On its own as an Associate's degree, or en route to a Bachelor of Science degree, our Leadership degree gives you the basic skills, attitude, and perspective to guide and direct groups of people and organizations with a Christian worldview. Earn this degree after completing 62 semester credit hours, half in General Education, half in Leadership, Bible, and Theology.

You will be equipped to:

- Engage with biblical principles of leadership and management.
- Understand how a biblical worldview shapes your life and ministry.
- Communicate biblical truth and concepts of leadership.
- Articulate biblical truths in any situation.
- Utilize the basic tenets of the Christian faith.
- Apply truth to your spiritual formation and ministry.

BACHELOR'S DEGREE

BUSINESS ADMINISTRATION

Prepare to lead for-profit and non-profit organizations with our Bachelor's degree in Business Administration. You'll be ready to maximize stockholder wealth and the greater good of your community and the world. Studying subjects like church leadership, spiritual formation, and biblical ethics, you'll learn to think in an interdisciplinary way and collaborate cross-culturally to advance the mission of your organization. Earn this degree after completing 122 semester credit hours.

You will be equipped to:

- Think biblically, analytically, and managerially.
- Address business and organizational problems in your community and the world.
- Understand organizational culture and explain the implications of an organization's mission.
- Develop an organizational vision, including a mission, values, goals, and strategies.
- Express a means of world transformation through Christ-like servant leadership and management principles.
- Embrace entrepreneurial principles and the ability to launch new organizational ventures.
- Utilize the basic tenets of the Christian faith.
- Articulate biblical truths in any situation.

BACHELOR'S DEGREE MINISTRY LEADERSHIP

Learn the skills and build a foundational understanding of what it takes to lead in a ministry, including any situation where Christians are worshipping, evangelizing, serving, or studying aspects of the Christian faith, or in any other Christian activity. You'll study secular and Christian sources, along with case studies and examples of current and historical leadership. This Bachelor's degree program presents Ministry Leadership in the broad context of human knowledge and experience. Earn this degree after completing 122 semester credit hours.

You will be equipped to:

- Utilize the basic tenets of the Christian faith.
- Articulate biblical truths in any situation.
- Apply truth to your spiritual formation and ministry.
- Become versed in biblical principles of leadership and management.
- Understand how a biblical worldview shapes your life and ministry.
- Communicate biblical truth and concepts of leadership.

MASTER'S DEGREE ORGANIZATIONAL LEADERSHIP

Acquire the knowledge and skills to lead top-level teams within a for-profit or non-profit organization. Our 11-course curriculum includes local, national, and global perspectives, and focuses on topics including organizational processes, building strong and effective teams, organizing and leading groups, managing conflicts, and leading organizational change. There are no prerequisites for students with an undergraduate degree, and you'll earn this degree after completing 33 credit hours.

You will be equipped to:

- Think and lead biblically, analytically, and managerially in addressing organizational situations.
- Explain various types and aspects of organizational culture and how they function as a whole.
- Build and implement a shared vision with a mission statement, organizational values, goals, and objectives.
- Explain how and why conflict occurs in an organization, and how a leader should view the opportunities and threats it presents.
- Articulate and synthesize unique aspects of leadership at national and international levels.
- Communicate the biblical and ethical foundations for each aspect of leadership.
- Explain and justify the necessity of a leader's spiritual life.

MASTER'S DEGREE THEOLOGICAL STUDIES

Develop the skills, techniques, and concepts for studying, practicing, and leading a theological discourse with our Theological Studies Master's degree program. You'll build a firm biblical foundation and connect theological truths with their impact on daily living. This degree is designed to help lay-people and ministry leaders develop sound theology, from an understanding of history to ethical decision-making. With courses on biblical and ethical leadership as well as elements of apologetics, and an intensive dive into Christian history, Systematic Theology, and practical application, you'll earn this degree after completing 42 credit hours.

You will be equipped to:

- Articulate the fundamental aspects of Christian Theology.
- Identify future trends in order to keep scripture as the constant in an ever-changing culture.
- Think, research, synthesize, integrate, and apply theological principles and concepts to ethics and leadership.
- Explain the major differences and commonalities between the historical Christian theological system and other major theological systems.
- Develop a robust and coherent theological apologetic for your personal faith.

MASTER'S DEGREE BIBLICAL STUDIES

Learn and experience the tools, methods, and skills crucial to engage and teach the Bible in-depth and in context. Our Master's degree in Biblical Studies features core biblical theology, biblical languages, and the key skills for biblical exposition. By building your confidence and competence in rightly handling God's word and sharing that word with God's people, you will be prepared to accomplish your own goals, whether that's a more meaningful devotional life or teaching classes in your church.

You will be equipped to:

- Demonstrate the core competencies of biblical exegesis and biblical exposition.
- Understand the basics of biblical languages and using a Bible software tool.
- Articulate a sound biblical theology grounded in the biblical worldview.
- Analyze and critique various methods and interpretations within the realm of Biblical Studies.
- Learn how to translate the Bible into the daily lives of God's people, helping them to live more faithfully and share more boldly.
- Acquire deep understanding of the relationship between biblical theology and systematic theology.

MASTER'S DEGREE CHRISTIAN MINISTRY

Gain the competencies you'll need to shepherd people from a biblical perspective. Practical and hands-on, with at least one interactive learning lab, our Master's degree in Christian Ministry will prepare you for leadership in your church and community. Choose from educational tracks that will strengthen your abilities in pastoral counseling, leadership, administration, and church planning. You'll also develop competencies in classical skills, including Bible exposition and theology.

You will be equipped to:

- Shepherd those in your congregation in light of biblical truth and essential leadership competencies.
- Understand the various aspects of church leadership that are crucial for your program track.
- Experience personal discipleship and learn how to personally disciple others.
- Achieve clarity about your calling to leadership in God's kingdom.
- Lead yourself and others in Christian ministry.

MASTER'S DEGREE INTERCULTURAL LEADERSHIP

Acquire advanced training for a career in international service, mission, organizational leadership, church planting, urban ministry, or working with the poor, at-risk children, or other marginalized populations in any society. Our Master's degree in Intercultural Leadership is a rigorous degree built on a multidisciplinary curriculum that draws on scholarship in missiology, theology, sociology, and anthropology. With an emphasis on intentional practices to foster academic, vocational, spiritual, emotional, and cultural formation, this degree is ideal for both seasoned and newer intercultural professionals.

You will be equipped to:

- Function missionally in diverse cultural settings
- Think biblically and analytically in cross-cultural settings
- Engage with diverse ethnic groups close to home or around the globe
- Use introductory tools of collaboration with numerous Non-Governmental Organizations (NGOs)
- Use basic concepts of conflict resolution with team members

CERTIFICATE IN CHARACTER-FOCUSED ENTREPRENEURSHIP & INNOVATION

Set out on a path toward successful entrepreneurship—created by actual entrepreneurs. This one-year certificate program consists of eight different areas of focus, and is grounded in an in-depth understanding and application of how to be a person of Christ-focused moral character in pursuit of your dream or idea. In one year, you will learn the basics of entrepreneurship, a process to evaluate any concept or product, and how to innovate and lead a team with character-focused filters. Coursework can be completed one night per week on-site or via Zoom.

You will be equipped to:

- Understand the importance, and difference, of being a Christian entrepreneur and not an entrepreneur who is a Christian.
- Approach entrepreneurship in a character-focused, Spirit-led way.
- Understand the role of vision and innovation in bringing a product or idea to market.
- Successfully communicate through persuasion and storytelling.
- Apply character-focused leadership in creating a culture for your organization.
- Understand the importance of business law and corporate formation for your idea, product, or service.
